NEW COLLABORATOR

Introducing The Inside x Old World Weavers

Founded in 1950 by Iris and Carl Apfel, Old World Weavers is one of the most respected luxury design houses. Known for its exotic, world-traveled aesthetic and famed clientele from Greta Garbo to Faye Dunaway, Old World Weavers has remained synonymous with a 'more is more' mentality. The Inside x Old World Weavers features three patterns originally developed by Iris Apfel in new colorways, and four patterns that channel her spirit.

ABOUT THE INSIDE

We're making furniture fun, with access to more design for more value.

We believe in the joy of decorating and that creating the home of your dreams — while having a great time doing it — should be an accessible experience to everyone, not just a few.

Sustainably Made

30 Day Returns

Ships in Under Four Weeks

"...in almost all situations, the more personalized the piece, the more you will have to pay, and the waiting time for made-to-order is months. It doesn't have to be that way."
